

Exot.se prislista

höst 2021- vår 2022

Livet är för kort för tråkiga växter!

Ludvig Johansson, trädälskare

Vår idé är att erbjuda Europas största utbud av roliga och härdiga växter till mycket låga priser. Vi är återförsäljare till flera av Europas ledande plantskolor. Det medför samtidigt att utbudet ändras ständigt och växtlistan är ett urval av vad som är möjligt att beställa.

De låga priserna kan vi hålla genom att ta in beställningar, sedan ta hem plantorna och därefter kan ni hämta dem hos oss i Häggum (söder om Skövde). Inga mellanhänder. Som en vanlig plantskola fast fler och ovanligare växter till lägre priser. **Ganska enkelt! Det enda svåra är att bestämma vilka rariteter ni vill ha!** Sedan kan man förstås fundera på varför de stora kedjorna är mycket dyrare...

Frakt: För beställningar över 5000kr inom Svealand och Götaland kan vi ordna frakt.

Fast avgift 2500kr inkl. första pallen, efterföljande pall 2000kr/st. En pall rymmer 20-60 träd. Större träd (>3m hög, kruk C60 eller större) måste hämtas på plats. Föreningar, vänner mm, överväg samköp. Växterna levereras till en plats per beställning.

NYHET!

Storkund: Köp över 10 000kr ger vi 10% rabatt på. Rabatten gäller för betalda växter.

Vi fokuserar på buskar och träd, men kan även erbjuda perenner, bärbuskar, fruktträd, medelhavsväxter och halvhärdiga exoter. Förutom beställningssortimentet har vi ett antal växter hemma för impulsköp, bland annat udda fruktträd och bambu.

Tipsa dina vänner om växtlistan. Det gör att vi kan fortsätta hålla ett lågt pris.

Beställning

Beställ så här:

- 1) Skriv en lista med nr, växtnamn och antal; ett växtnamn per rad.
- 2) Glöm inte dina uppgifter: Namn, adress, telefonnummer, gärna e-post.
- 3) Skicka beställningen via brev eller epost (helst order@exot.se).
- 4) Vi hör av oss när växterna kan hämtas hos oss i Häggum

Vi vill ha din beställning senast 31 mars 2022.

Åtråvärda växter tar snabbt slut. Din chans att få hem rariteter ökar om du beställer innan slutdatum, gärna under hösten 2021. Du kan komplettera din beställning senare.

Skicka beställningen till:

Leverans och betalning:

Vi hör av oss när ni kan hämta växterna. Det är vår ambition att ni ska kunna göra det senast i **maj 2022** beroende på väderlek. Växterna betalas i samband med att ni hämtar dem (vi tar kort, kontant, swish). Plantskolan ligger bredvid kyrkan i byn Häggum, ca 1,5 mil söder om Skövde (mellan Skultorp och Stenstorp).

OBS! Vi förbehåller oss rätten att neka en beställning. Dessutom kan det hända att växter tar slut. Då gäller först till kvarn.

Förklaring till växtlistan:

Nr Artikelnummer

Växt Växtens vetenskapliga namn

Kruka Alla växter är krukodlade förutom de som anges med rotklump. Krukan är ett sätt att mäta storlek på växten.

C2 = Container rundkruka 2 liter, P7 = Fyrkantig kruka med sida 7cm

Höjd Växtens ungefärliga höjd i cm. Vår erfarenhet är att de flesta växterna som levereras är markant högre. Omkr. betyder omkrets i cm

Pris Ditt pris vid avhämtning med reservation för (större) valutaändringar. Priset är i svenska kronor (SEK).

Moms ingår i priset.

OBS! Listan är lång! Överväg att inte skriva ut den.

Vi tar gärna emot förslag på växter ni skulle vilja beställa i framtiden som inte finns på årets lista.
